

September 2017

The waiting is over as our Summer Truck has arrived safely in Moldova much to the delight for hundreds of families. After a couple of delays we were able to load one soggy evening and were blessed with helpers who fought the traffic and weather to help.

As we all know it takes a huge amount of work to collect and sort enough to fill a huge articulated truck and our thanks to everyone involved. We were able to pack nearly one thousand bags and boxes of new and very good quality used clothes together with medical aids and equipment, bicycles, sewing machines, lots and lots of new toys and more. How wonderful, thank you all.

For us our Summer Truck is now history and we must look forward to one of the most anticipated trucks of the year, our Christmas Truck.

We have a real challenge ahead. We must encourage Churches, Schools and everyone to make as many really good Christmas boxes for the hundreds of poor children who

would otherwise have nothing at Christmas. Last year we managed to take over three thousand boxes as well as many family boxes. Let's hope we can do the same this Christmas. It is lovely to see we also have some lovely boxes for grannies and grandpas; a real surprise for them.

We cannot emphasize too much the importance of ensuring the box is filled to the brim with really lovely NEW things for the children. They really look forward with immense excitement to opening them and have come to know our Christmas boxes are always very good, we would like to think they are the best.

People in Moldova will now be reaping the harvest from their labours and busy bottling everything to store for the winter that lies ahead in the hope they will have enough to last the bitter winter.

We all need to work hard and encourage people to support our Christmas Appeal whilst maintaining our supply of good used clothing etc.
