

The roots of Christian Response go back to 1990 since when many hundreds of thousands of pounds of aid has been taken to Eastern Europe. In addition financial aid in many areas has been given. During that time Christian Response have learned a great deal, delivering direct to those most in need thus avoiding lining the pockets of those who benefit from the Black Market.

CR2EE is very much a Christian Charity, aid is given freely and without obligation to those in need and without consideration to race or religion. The following is a rough idea of sponsorship.

An Elderly Couple	in the country	£3.46 per week	£15.00 per Month
